1370 Airmans Drive

Fort Pierce, FL 34946

The Dominican Republic is an island nation just 600 miles south east of Florida, with a population of over 8.5 million people.

Our ministry varies; but our goal is simple. Win the lost to Jesus Christ.

Our vision is to:

- Establish Bible believing Baptist churches
- Train and Disciple Nationals
- Literature and tract distribution
- Host and train short-term mission groups
- Give Honor and glory to our Savior

The Garrison's currently are working in the mountain town of Jarabacoa. In April 2005, they started Jarabacoa Baptist Temple, attendance on average runs about 70 people. However due to this constantly growing number they are rapidly running out of Sunday School space. Please pray that God will provide a new building so they are more apt to reach the people of Jarabacoa.

They started Grace Haitian Baptist Church in September of 2008. The services at Grace are held in Creole. Jeff preaches in Spanish and since he does not speak Creole he uses an interpreter as needed. Grace is now averaging around 65 in attendance.

We ask that you please pray for the Garrison family and especially for the salvation of the people of the Dominican Republic.
