At One Another Ministries International

We proclaim the message of Jesus Christ and provide professional counseling, consulting, training and resourcing for the development and care of mission organizations and their members, churches on the mission field and their leaders.

We offer professional services to mission agencies, missionaries, churches and national church leaders in Europe and the surrounding regions.

In recent years we have provided help to thousands of Christian workers of 48 different nationalities serving in 88 countries through 130 different sending agencies.

Dr. Robert Lugar - Chairman & Director:

Dr. Robert & Debbly Lugar have developed a love for and understanding of missionaries during the more than 20 years they have been ministering and caring for Christian workers in Europe. They have a reputation for providing a place of safety with gifted and skilled counseling, and have considerable experience in pastoring and church-planting, administration, leadership training and consultation, as well as counseling.

Debbly Lugar - Client Relations, Secretary One Another France:

Debbly Lugar has a unique gift of hospitality and the ability to minister to guests by showing them love and a warm welcome. She and her husband, Robert, have 25 years of ministry experience in pastoring, church-planting, theological education, administration, and counseling. Their love for and understanding of missionaries have developed during the more than 20 years they have ministered in Europe.
